

orga.cube Double garage

Product features

- Direct-access storage space and more leg room under the desk
- Two-sided access of both interior sections allows the unit to serve for up to four workstations (arranged in blocks) at the same time
- Concealed upper runner
- Accessible from both sides: divided in the middle, allows access from two adjacent workstations
- Interior power supply: Socket integrated in upper compartment
- Cable channel and side cable outlets (optionally on one or both sides) for cable routing
- Acoustically effective panel material optional for pullout side panels and inner back panel of the pullout
