Meubles d'appoint de la ligne S
Armoire à portes battantes

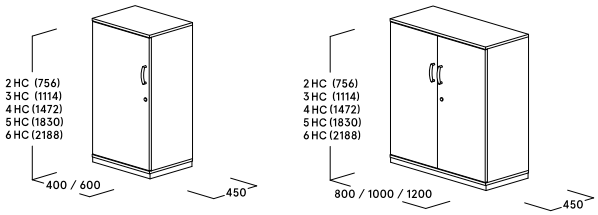

ophelis

Caractéristiques du produit

- L’armoire à portes battantes de la ligne S se combine avec les autres modules (hauteurs et profondeurs unifiées)
- En option : façade à absorption phonique à l’avant comme à l’arrière recouvert d’un tissu
- Au choix poignée encastrée intégrée ou de traction téléscopique
- En série : face arrière décorative de 16 mm d’épaisseur
- Les portes s’ouvrent à 270°
