

Meubles d'appoint de la ligne S

orga.regal

Caractéristiques du produit

- L'orga.cube se combine avec les autres modules de la ligne S (hauteurs et profondeurs unifiées)
- Les surfaces peuvent être recouvertes d'un tissu et servent alors de panneau d'affichage (à épingles) pour un effet cosi
- Idéal pour l'espace d'accueil et les espaces dédiés au conseil
- Accès direct avec les casiers ouverts
- Intégration d'un caisson et d'espaces de rangement ouverts côté utilisateur
- Espace de rangement et tiroir du côté de l'invité.e
