Système de cloisons paravento
M enchaîner

Caractéristiques du produit

- Il est possible d'enchaîner les parois mobiles. Cela permet par ex. de définir des zones au sein de l'open-space.
- Enchaînements possibles : en L, en T et en croix
- Séparation visuelle et acoustique
- Mobile ou fixé à la table
- Sans cadre : on ne voit pas le profil en aluminium
- Avec le(s) rail(s) d'organisation, il est possible d'ajouter des éléments
- Acoustique Basic ou Premium au choix
- Plusieurs largeurs et plusieurs hauteurs sont disponibles
- Nul besoin d'outil pour enchaîner les parois grâce aux connexions à angles variables
- Pose du tissu à l'horizontale
